

Napa County Bar Association
2022 MEMBERSHIP DUES NOTICE

Dear Members and Prospective Members:

On behalf of the Napa County Bar Association, I cordially invite you to join and become a member for the 2021 Year. Besides providing you with MCLE credits through our monthly programs, the association will again be financially assisting our local high school mock trial competition, providing scholarships for outstanding high school seniors, and local charities (such as Bay Area Legal Aid). Our website (www.napacountybar.org) still provides free listings available for all members (see below). We continue to conduct our monthly meetings via Zoom, until further notice.

This year we will again be accepting affiliate memberships from non-lawyers, such as paralegals, professional fiduciaries, trust officers, and law students at a reduced rate of \$75. Associate members will not be eligible to vote on any bar association business.

Katherine Phillipakis
2022 NCBA President-Elect
